Honorable Frank Lobiondo
2427 Rayburn House Office Building
Washington, D.C. 20515

Dear Congressman Lobiondo

I am writing on behalf of Elsinboro Township, in reference to the fiscal year 2010 appropriations. As you are well aware, Elsinboro Township has been unsuccessful in attempting to secure funds for our Beachfront Project for the last 8 years. This year we have taken the steps to request federal funding by filling out the appropriate forms from Senator Lautenberg and Senator Menedez. When contacting your office our township clerk was told that sending a copy of these forms to you was sufficient in asking for your assistance in obtaining the appropriation. I am enclosing a copy of this form and asking for your support with this consideration, as well as the senators.

Thank you for all of your assistance and your continued support in Elsinboro Township. If you should have any questions or comments please let me know. I look forward to working with you in the future.

Sincerely,

Sean M. Elwell
Deputy Mayor
